MEMORANDUM FOR: Deputy Director for Administration

FROM: John M. Ray  
Director of Logistics

SUBJECT: Funding Required for Backfill

1. On 26 February 1987, OL representatives briefed you on the backfill requirements for the existing Headquarters Building. As indicated in that briefing, it is imperative that backfill architectural and engineering (A&E) support be initiated at this time. The cost of backfill A&E is estimated to be \$500,000 in FY 1987.

2. It is requested that you approve the release of \$500,000 of OL funds currently frozen for unallocated cuts to cover these costs. These funds are available in FAN 78-1125, SOC 2540.

  
John M. Ray
